¹Tier 1- Your daily balance in tier 1 (\$0.00 up to \$49,999.99) will earn an interest rate of 0.20% and an APY of 0.20%. Tier 2- Your daily balance in tier 2 (\$50,000.00 up to \$74,999.99) will earn an interest rate of 0.50% with a 0.50% APY. Tier 3- Your daily balance in tier 3 (\$75,000.00 up to \$99,999.99) will earn an interest rate of 1.00% with a 1.00% APY. Tier 4- Your daily balance in tier 4 (\$100,000.00 up to \$149,999.99) will earn an interest rate of 1.50% with a 1.51% APY. Tier 5- Your daily balance in tier 5 (\$150,000.00 or more) will earn an interest rate of 2.00% with a 2.02% APY.
²Earn 2.02% APY on your average⁵ balance up to \$10,000 when you: Enroll in Online Banking and e-statements, have ACH deposits of at least \$2,000 per month, and have at least 11 posted³ debit and/or credit card transactions per month. Additionally, earn 0.50% APY on balances greater than \$10,000 when you have a qualifying loan or Certificate⁴ or 0.20% APY on balances greater than \$10,000 when you do not have a qualifying loan or Certificate⁴. If you don't meet the qualification requirements, you will earn 0.05% APY on your average⁵ balance.
³Posted – Transactions that have cleared by the end of the account statement cycle.
⁴Qualifying loan or Certificate – The term "qualifying loan" is defined as an open loan with a month-end balance but excluding Personal Lines of Credit. The term "Certificate" is defined as a Certificate of Deposit.
⁵Interest earned based on average daily balance.

Your interest rate and annual percentage yield are subject to change at our discretion and pursuant to applicable law. All applicants must meet Frontier Credit Union membership and account opening requirements. Some restrictions may apply. Contact us anytime for the most current information regarding rates. The par value of a share in this credit union is \$5.00.

¹ East Idaho Credit Union reserves the right to end, alter, or otherwise adjust this promotional offer at any time and at their discretion.

² A bump-up certificate of deposit (bump-up CD) is a certificate of deposit that entitles the bearer to take advantage of rising interest rates with a one-time option to "bump up" the interest rate paid. Bump-up option is only available at the request of the member if the rate exceeds their current certificate interest rate, up to .50 basis points, and will only affect the rate of dividends that have not been paid out.

³ Add-on certificates of deposit (CDs) allow savers to make additional deposits into a CD account during the maturity term.

Rates are subject to change. Contact us anytime for the most current information regarding rates. The par value of a share in this credit union is \$5.00.

RATE INFORMATION. The Annual Percentage Yield (APY) reflects the total amount of interest to be paid on an account based on the interest rate and frequency of compounding for an annual period. The interest rate and Annual Percentage Yield (APY) are fixed and will be in effect for the initial term of the account. The rates for Renewals shall be those rates in effect at the time of renewal. The APY stated is based on the assumption that interest will remain on deposit until maturity; a withdrawal of interest will reduce earnings. **2. COMPOUNDING AND CREDITING.** The frequency with which interest will be compounded and credited is set forth above. The "Quarter" begins on the first calendar day of the quarter and ends on the last calendar day of the quarter. **3. MINIMUM BALANCE REQUIREMENTS.** The minimum balance requirements for each account are set forth above. Minimum balance requirements may include a minimum opening deposit, the minimum balance that you must maintain in the account to avoid service fees, and the minimum balance that you must maintain each day to earn the stated Annual Percentage Yield for that account. The Par value of a share in this credit union is disclosed on the Fee Schedule. **4. BALANCE COMPUTATION METHOD.** We use the Average Daily Balance to calculate interest on your account. The Average Daily Balance Method applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period. **5. ACCRUAL OF INTEREST.** Interest will begin to accrue on the business day that you deposit noncash items (e.g. checks) to your account. If you close your account before interest is paid, you will receive the accrued interest. **6. MATURITY.** Your account will mature according to the term indicated above, and as indicated on your account summary or statement. **7. EARLY WITHDRAWAL PENALTIES.** We will impose a penalty if you withdraw any of the principal in your account before the maturity date. The amount of the penalty is disclosed above. The penalty is calculated as a forfeiture of part of the interest that has been or would have been earned on the account, and applies whether or not the interest has been earned. The penalty may be deducted from the principal amount of the deposit. The Annual Percentage Yield disclosed for your account is based on an assumption that interest will remain in the account until maturity; a withdrawal will reduce earnings. **Exceptions to Early Withdrawal Penalties:** We may, at our option, pay the account before maturity without imposing an early withdrawal penalty under the following circumstances: (1) If an account owner dies or is determined to be legally incompetent by a court or other body of competent jurisdiction; (2) If the account is an IRA Account and any portion is paid within seven days after the establishment of the account; or (3) if the account is an IRA and the owner attains the age of 59 1/2 or becomes disabled. **8. RENEWAL POLICY.** Unless you otherwise instruct us, your certificate account will automatically renew at maturity. You will have a grace period as indicated above after the maturity date to withdraw the funds in the account without being charged an early withdrawal penalty.
